Tips to help you to fill in the Application Form

1. Fill in your form very neatly and clearly and IN ENGLISH. If you make a mistake or if your form is messy, use a fresh form. If possible, please print or use block letters.
2. Please give your name as you wish to be known in Scotland. First name then Surname, e.g. Lisa Mueller.
3. Remember to glue on a passport-sized photo.
4. Give your date of birth and your age on 25 November 2023.
5. Languages spoken in your family.
6. Please note your family's e-mail address and a mobile number. This will help your guests to make contact with you before you travel. We will give you information about your exchange partners, too.
7. Write a little to introduce yourself. This will help us to choose an exchange partner for you. Think about what you would like to know about a guest if you were the host. You could mention what your hobbies are, what you like to do in your spare time, any interests that you have.
8. The medical information part is really important. Do you have any allergies or conditions that your hosts should know about? Is there anything that you don't like to eat? Would you prefer to be in a non-smoking environment? Is there anything that would make you very uncomfortable, for example, are you scared of big bouncy dogs?
9. You don't need to fill in the last box. That is just in case there is anything else you wish us to know for example if you have already hosted a Scottish guest and wish to stay with him/her.
